Remarks

Here in Sarasota's exclusive Waverley enclave—just 100 homes with unusually low HOA fees—you'll discover a one-of-a-kind residence that lives like a luxury escape. This expansive 4-bedroom, 3-bath home offers an oversized 3-car garage and a breathtaking great room centered around an enormous kitchen island. Beautiful quartz countertops flow seamlessly throughout, reflecting a carefully curated design aesthetic. Every floor is clad in wood-grain Italian tile, lending warmth and sophistication. Custom pecky cypress trim frames windows and doorways with rich texture, while three rooms are elevated by shiplap-ceiling detailing along with the kitchen island—touches that bring texture, light, and architectural charm to everyday living. Step outside and the allure continues: a heated saltwater pool shimmers beneath the sun, surrounded by lush landscaping and a pergola draped in flowering vines that naturally attracts birds and butterflies, transforming the backyard into a private nature sanctuary. Whether you're entertaining friends or enjoying tranquil family moments, this outdoor space is a dream. Located in a gated, Medallion-built community prized for its blend of Mediterranean and Caribbean architectural styles. Waverley offers a boutique-luxury setting with low HOA dues and no CDD
